Is there anything you can proactively share with NM media that have written that explains what we're doing so far?

Below are questions for when we get on the call that I think we need to figure out

Who is getting information to NM press so they're aware of what we are doing for the local community? We are doing a lot – sampling for the Navajo nation, putting out advisories, etc.

What is the weekend process in R8 for responding to media inquiries?

Can you set up a JIC with appropriate representative from each agency on the ground to answer media questions?

Can you set up daily press conferences and press calls at the same time each day?

Who in R8 is main press contact?

Who in R6 and R9?

Website change to .gov instead of .org? Link posted on R6 and R9 sites?

Is a background document and Q&A being pulled together?

I'm free until 3 pm when we have a Congressional call. And then after that call I'm open...

Paula and Lisa - please let us know when a public affairs call can be set up with us
and R6 and R9 so we can talk through the press response process.

shouldn't this link be .gov rather than .org?

Are there specific messages we can give to NM media about the work that we are
doing there?
